Introduction

- Enclosed is the weekly Treasury Single Account ("TSA") cash flow report and supporting schedules with weekly YTD FY2022 actual results compared to the FY2022 Liquidity Plan and FY2021 actual results.
- TSA is the Commonwealth's main operational bank account (concentration account) in which a majority of receipts from Governmental funds are deposited and from which most expenses are disbursed.
- Receipts in the TSA include tax collections (including revenues assigned to certain public corporations and pledged for the payment of their debt service), charges for services, intergovernmental collections (such as reimbursements from Federal assistance grants), the proceeds of short and long-term debt issuances held in custody by the Secretary of Treasury for the benefit of the Government fiduciary funds, and other receipts. Only a portion of the revenues received by the TSA is included in the annual General Fund budget presented to the Puerto Rico Legislative Assembly for approval. Other revenues are separately assigned by law to certain agencies or public corporations but still flow through the TSA.
- Disbursements from the TSA include payroll and related costs, vendor and operational disbursements (including those reimbursed by Federal assistance grants and funded from Special Revenue Funds), welfare expenditures, capital outlays, debt service payments, required budgetary formulas and appropriation payments, pass-through payments of pledged revenues to certain public corporations, tax refunds, payments of current pension benefits and other disbursements.
- Federal funds related to disaster relief for hurricanes Irma and Maria are deposited in a separate bank account overseen by the Government Authorized Representative ("GAR"). Funds may be transferred to the TSA either: (i) after admissible disbursements (per approved Project Worksheets) have been made or (ii) once supporting documentation for an accrual or related expense are provided to and approved by FEMA. Therefore, FEMA funding may also be received in advance of actual cash disbursement, as payments to vendors may occur subsequent to when the corresponding services are rendered / expenses are recorded.
- Data limitations and commentary:
The government has focused on cash transaction information for which access to reliable, timely, and detailed data is readily available. The government continues to work with DTPR and other parties to access additional reliable data that would help to provide additional detail in the future.

FY21 TSA Cash Flow Actual Results - Footnotes

Footnotes:

- (a) Represents FY2021 actual results through September 18, 2020.
- (b) Represents gross tax collections received and deposited from all Hacienda Collection Posts, through the Hacienda Colecturia Virtual (online) and/or SURI. Additionally, as of the date of this report, the "General Fund Collections" line item includes unreconciled collections due to DTPR transition to collecting various gross tax receipts through the new SURI system. The transition from the Hacienda Colecturia collections system to SURI is ongoing and as such, revenue concept detail for the general tax SURI collections is not available at this time for the portion of collections received by the new general tax SURI account. This resulted in timing-related unreconciled gross collections which will be retroactively allocated to "General Collections" as appropriate once this information becomes available.
- (c) These revenues are collected by DTPR and immediately appropriated.
- (d) Inflows related to the State Insurance Fund, the Department of Labor and Human Resources, the Commissioner of Financial Institutions, interest earned on TSA bank accounts and others. As of the date this report the TSA has received \$2.2M in interest income in FY21 from earnings on the TSA cash balance.
- (e) As of September 17, 2021, there are \$665M in collections in the SURI sweep account pending reconciliation and transfer to the TSA.
- (f) Represents total gross payroll. Gross payroll includes net payroll disbursed to government employees, cash transfers to the Police Department for payroll costs, and other payroll related costs (employee withholdings, social security, insurance, and other deductions).
- (g) Includes payments to third-party vendors as well as intergovernmental payments to agencies with separate Treasuries.
- (h) Includes Federally Funded Employee Retention Credits.
- (i) These line items include transfers out of the TSA related to the COVID-19 Emergency Measures Support Package. Total TSA outflows related to the COVID-19 Emergency Measures Support Package are approximately \$534M as of September 17, 2021. Of this amount, \$459M was disbursed in FY2020, \$75M in FY2021, and \$562k in FY2022.
- (j) The positive amount reflects the reimbursement to the TSA of Title III expenses that Hacienda paid on behalf of other entities. These amounts will result in zero net cash flow to the TSA as each time the TSA disburses funds to cover Title III expenses on behalf of an IFCU the amount is reimbursed to the TSA.
- (k) Excludes BPPR Clawback Accounts (for clawback revenues prior to June 2016) of \$147M.

General Fund Collections Summary

Key Takeaways / Notes

- 1.) Accumulated collections into TSA sweep accounts are now consistently transferred to the TSA with a 7-10 day lag. As of the date of this report, there were \$665M in collections in the SURI sweep account pending transfer to the TSA. Other General Fund revenue also includes receipts that have not been allocated to other concepts and this amount is approximately \$310M. Due to the ongoing transition of various gross tax collections from Hacienda Colecturia to SURI, revenue concept detail for general tax SURI collections from September 1, 2021, through the date of this report is not available at this time. This collections schedule will be updated as information becomes available.

Federal Funds Net Cash Flow Summary (a)(b)

Key Takeaways / Notes

- 1.) Receipts for the Nutritional Assistance Program (NAP) and Medicaid (ASES Pass-through) are received in advance of the subsequent pass through disbursements. Federal Funds received for Payroll and Vendor Payments are typically reimbursed following disbursement. Currently, there may be temporary surplus / (deficit) due timing differences relating to prior year carryover. Puerto Rico received \$2.24 billion from the Coronavirus Relief Fund (CRF) established under the CARES Act and \$2.5 billion of federal Coronavirus State & Local Fiscal Recovery funds (CSFRF). These funds are held in a separate account outside of TSA. Some of the measures funded by the accounts are initially paid out through TSA, and later reimbursed from the respective external account.

Puerto Rico Department of Treasury | AAFAF*Payroll / Vendor Disbursements Summary***Key Takeaways / Notes : Gross Payroll**

- 1.) Gross payroll is mainly tracking FY22 forecasts to date. Most variance is driven by lower federally funded DOE payroll than projected. Positive variance during the week ended 9/10 is mainly due to timing of non-wage expenses.

State Funded Budgetary Transfers Summary

Key Takeaways / Notes

- 1.) General Fund appropriations are generally executed throughout the year on a consistent basis in the first week of a given month. The amount transferred each month is usually the sum of the receiving entity's budgeted amount for FY22 divided into twelve, subject to a 2.5% holdback through the first nine months of the fiscal year, to be disbursed during the fourth quarter following reconciliation of General Fund revenues to Fiscal Plan projections and subsequent approval and authorization for release by the Oversight Board and the Director of OMB. Other General Fund transfers and Other Fund transfers require the recognition of certain revenues within DTPR accounting records prior to sending funds to a receiving entity. The Liquidity Plan projected \$59M of HTA Capex funds carried over from FY21 would be transferred during September 2021. These funds have not been transferred yet, driving the positive Other GF variance.
